Administration, Rural Water District No. 3
OKFUSKEE COUNTY, OKLAHOMA

APPLICATION FOR WATER AND WATER USERS' AGREEMENT

The Undersigned being the owner of land located within the above Rural Water District, hereby makes application to said District for water service and agrees to the following conditions.

1. Purchase or cause to be purchased one benefit unit for such service at the unit price of **$1100.00 (1" Meter)**
2. Pay a minimum monthly meter charge to be established by the Board of Directors, for water service from the time service is made available be the District, and pay for additional water used at the rate set out in the rate schedule adopted by the Board of Directors. Any changes made in the minimum monthly water charge and rate schedule by the Board of Directors of the District shall become a part of the Agreement as though fully set out herein.
3. When the Rules and Regulations of the District provide that the District will read the water meters and submit bills for water service it shall be done in this manner; water meters shall be read on the 15th day of each month, a bill for service will be submitted on the 20th day of each month. All bills are due by the 1st day of the following month. Any bill not paid by the 10th shall result in a 5% penalty. Bills not paid by the 15th shall result in discontinuance of the service. Failure of the District to submit a service bill shall not excuse the undersigned from his obligation to pay for the water service used when the bill is submitted.
4. The services supplied by the District shall be for the sole use of the undersigned; the undersigned agrees that he will not extend or permit the extension of pipes for the purpose of transferring water from on property to another, nor will he share, resell, or submeter water to any other consumer or allow any other user to connect to water line. Each meter service shall supply water to only one residence or business establishment located on land within the District, unless otherwise authorized by the Board.
5. If after water service is made available to undersigned is discontinued or disconnected for any purpose, pursuant to the Bylaws and Rules and Regulations of the District, reconnection shall be upon the conditions set out in the Bylaws and Rules and Regulations of the District.
6. The undersigned agrees that he will make no physical connection between any private water system to the District. Representatives of the District may at any reasonable time come on the premises where the water is being used for the purpose of making inspection to enforce this provision. Violation of this provision shall be grounds for disconnection of service.
7. The laws of the State of Oklahoma, the Bylaws of the District, and the Rules and Regulations of the District, as presently existing, and may be amended from time to time are made apart of the Agreement as though fully set out herein.
8. The tract or tracts to which each benefit unit is to be assigned are specifically described as follows:

9. Each applicant for water service must give a perpetual easement for the lines crossing his land. Water lines are normally located 5 feet inside the fence line.
10. The District shall have the right to locate a water meter and the service pipe to the meter on the property of the benefit unit holder at a point to be chosen by the District, and shall have access to its property and equipment located upon the benefit unit holder's premises at all reasonable time for any purpose connected with or in the furtherance of its business operations, and on discontinuance of service shall have the right to remove any of its property from the benefit holder's premises. For such purpose the benefit unit holder grants the District an easement upon the above-described premises.
11. Each applicant for water service must provide a copy of DEQ approved septic system.
