

WARNING

VOLUNTARY, PRECAUTIONARY BOIL ADVISORY

Water System Name: Okfuskee County RWD #3

Public Water Supply ID: OK 3005401

Due to low water pressure and no water (problem) in the water system and the potential for contamination as a result of this situation, the drinking water supplied by Okfuskee County RWD #3 (water system name) may be unsafe for human consumption. As a precaution, **it is advised that the consumers of this water system bring the water to a full, rolling boil for at least one minute before drinking**, consumption, food preparation, baby formula preparation, dish washing, tooth brushing, ice making, wound care, and bathing infants who may ingest bath water. **Alternatively, bottled water or another acceptable water source may be used.**

Important Note: This precautionary boil advisory is not related to the Coronavirus Disease (COVID-19) pandemic, and it is important to continue to wash your hands during the precautionary boil advisory.

Comments: Okfuskee Co RWD#3 has been in contact with ODEQ and OUA. Okemah Utility Authority-our supplier has line breaks and equipment malfunctions. Therefore, RWD#3 has low water pressure and/or no water. Everyone is monitoring the situation and doing all that we can to get the problem rectified as quickly and as safely as possible.

This advisory will remain in effect until further notice. Questions concerning this situation should be addressed to Nancy Dodson, District Manager (name) at 539-299-1038 (phone).
